Deerfield River Watershed Schools Mini-Grants Program

The Deerfield River Watershed Association (DRWA) is a local non-profit organization whose mission is to protect, preserve and enhance the natural resources of the watershed (the area that drains into the Deerfield River in Vermont and Massachusetts). DRWA is pleased to present incentive grants for educational purposes relating to the Deerfield River Watershed. Grant proposals requesting up to $300 will be considered. DRWA will distribute up to a total of $1,000 per calendar year. The grants will be reviewed by a committee of the DRWA and awarded on merit. Applicants should allow up two months from filing date to receive an answer. There is no deadline and applications will be accepted until the yearly ceiling has been reached. Applications may be informal but should cover the following points where applicable:

Project or Request Name: _____

Applicant Name: _____ Grade(s) or Club:_____

School: _____

Total amount requested of DRWA: $_____ Total project cost: $_____

How will the funds be used (be specific)?_____

_____

_____

 (attach separate sheet of paper if need more room)

How does that use relate to the watershed?_____

_____

_____

How will you record what you learn in your experience of this project? (This is a required feature of the grant program, but you may record the learning aspect in any concrete medium that seems appropriate.)
How will you report to others what you have done and what you have learned?: _____

_____

_____

Who will be in charge of overseeing the use of grant funds?:

Name: _____ Position: _____

School: _____

Contact Address: _____

Phone: (_____)_____ Email: _____

Grantees must agree to submit a short written report on how the grant was used and an evaluation of its usefulness, within a year of the date of the award. DRWA would like to highlight projects and results on its website or in its newsletter.

Signed: _____ Date: _____
